

COMPANY PROFILE.

MICROMAK RENEWABLE ENERGY

PIONEER IN POWER SINCE 1990

ABOUT US

Over three decades, we have established ourselves as leaders in the power industry, earning recognition for our authentic and reliable services. We are pleased to present ourselves as one amongst the highly reputed firms in Chennai. Our commitment to consistent reliability, unmatched efficiency, and top-notch functionality is unwavering. We specialize in uninterrupted power conditioning products designed for commercial, industrial, and residential purposes.

We are dedicated to harnessing the power of renewable energy to create a sustainable future. With a focus on innovative solar and battery storage solutions, we aim to provide clean, reliable energy to homes and businesses
